MIXX StreamQ Surround User Manual

MIXX StreamQ Surround User Manual

FCC id: [2AXJ7-SQSURRND](#)

LET'S STAY CHARGED

A voice prompt 'Battery low' allows for 2 minutes play time before the headphones power down stating 'Battery low, power off'.

The LED Indicator Light (8) will flash RED once and will then switch off.

Connect the headphones to a suitable USB wall charger, computer USB port or a power bank using the USB-C Charging Cable (11) supplied and connect it to the headphones USB-C Charging Port (9).

While charging, the LED Indicator Light (8) will glow RED.

Once the headphones are fully charged, the LED Indicator Light (8) will turn off. Charging can take up to 2 hours.

LET'S CONNECT

First Time Pairing

Power On. Press and hold the multi-function button (6) for 1 second to turn on.

A voice prompt 'Power on, pairing' confirms the headphones are on and in pairing mode.

The LED Indicator Light (8) will flash RED and BLUE ready to pair with your audio device.

Go to the Bluetooth settings on your audio device to select 'StreamQ Surround' from the list.

Once paired successfully you will hear 'Connected' and the LED Indicator Light (8) will switch off.

You can now enjoy your music, watch a video or take a call handsfree.

The headphones will automatically reconnect to the last device they were paired with, confirming 'Connected'.

If there is no Bluetooth connection after 5 minutes, the LED Indicator Light (8) will flash BLUE and RED and will then automatically turn off by confirming with 'Power off' and the LED Indicator Light (8) will flash RED once and then switch off.

LET'S GO WIRED

The MIXX StreamQ Surround headphones are suitable for devices with a 3.5mm audio socket.

A 3.5mm audio cable provides the flexibility to convert these wireless headphones to wired use.

Convenient when watching TV when there is no Bluetooth connection.

Insert the 3.5mm audio cable into the 3.5mm Audio Port (7) of your headphones and the other end into your phone or plane's 3.5mm socket to start listening to your music or movie.

LET'S PLAY

First Time Pairing

Press and hold the Multi-function button (6) until the headphone says 'Power On' followed by 'Pairing'.

Go to the Bluetooth settings on your audio device to select 'StreamQ Surround' from the list.

Once paired with your device, you will hear 'Connected'.

Power On / Off

Press and hold the Multifunction button (6) on/off. You will hear "Power on / off".

Play / Pause

Short press the Multifunction button (6).

Volume Up / Down

Short press the Volume Up / Down Buttons (4) / (5) to adjust the volume.

Skip / Previous Track

Press and hold the Volume Up / Down Buttons (4) / (5) **for 1 second** to change tracks.

Change the Preset Equalisation (EQ) Settings

Choose from 3 Equalisation (EQ) modes to suit your personal preference. There is no App required.

- **TV Mode** optimised for voice-heavy listening such as sports matches, documentaries or the news.
- **Cinema Mode** adds 3D surround sound for immersive movie audio.
- **Music Mode** returns you to the optimal EQ for music listening.

Double press the Multi-function button (6) to cycle through the TV, Cinema and Music modes.

TRAVEL FRIENDLY

For ease of storage while travelling, fold the MIXX StreamQ Surround ear pads in towards the headband (1) then pop them in your bag or, place the headband around your neck and rotate the earpads to rest comfortably on your shoulders.

The headband is adjustable and can be extended (2). It also has soft cushioning (3) for extra comfort on the top of your head.

LET'S RECYCLE

This product can be recycled.

Products bearing this symbol  must NOT be thrown away with normal household waste.

Take the product to a collection point designated for recycling of electronic devices. Find out more about return and collection points through your local authority.

LET'S BE SAFE

ITS IMPORTANT THAT YOU PLEASE READ THIS SECTION COMPLETELY.

For your protection

Check with your doctor before use if you are fitted with a medical device such as a pacemaker or a programmable shunt.

Ensure the product is correctly connected using the manufacturer's original accessories included with the product.

Do NOT make unauthorized alterations to this product.

Product may contain small parts which can be a choking hazard.

Please keep the product out of reach from children under 6 and animals.

Whilst this product has been made using hypo-allergenic materials, you may suffer some skin irritation after prolonged use.

Do NOT listen to loud music for a long duration of time. We recommend turning the volume down before placing the device in your ears to avoid hearing damage.

Do NOT use the product while operating machinery, including cars, trucks or other vehicles.

Do NOT use noise cancelling mode or use your device in areas where the use of hearing is required for safety. e.g., while riding a bicycle, at a construction site or railroad etc.

Clean only with a dry cloth – Wipe off sweat from the earbuds and the charging case before charging.

IMPORTANT!

Do NOT use a non-certified PD or QC3 wall charger as this may damage the product. Only use the cable supplied to charge your device.

If your product has become damaged in any way, does not operate normally or has been dropped, please refer to a qualified person to have the product checked before continuing to use it.

WARNING:

This product contains a Lithium battery. Incorrect disposal of this battery may result in an explosion.

The operating temperature range for this product is 5° - 40° celsius.

Please avoid exposing the product, charging case and cable connectors to prolonged rain, moisture or liquid spills/splashing.

Please remove your device from your ears immediately if they emit any loud unusual noise or you experience a warming sensation.

If you experience any of the issues listed above, please turn off your device and contact MIXX Ltd on **support@mixx-io.com**
