HOW TO INSTALL THE WIRES

STRIP WIRE AT 3/8-1/2"

Ground
Load
Line
Neutral

—— Line (hot) — black (connected to power)
—— Neutral — white
—— Load — black (connected to lighting)

1. Unscrew: carefully turn the screw counterclockwise to leave enough
   space for the wire to be inserted. Do not unscrew the screws
   completely.
2. Press down: Once loosened, use your finger so it catches the thread.
3. Insert the wire: make sure the wire is completely straight, then insert it
   into the terminal while holding down the screw. Do not wrap the wire
   around the screw!
4. Tighten: Turn the screw clockwise to tighten the wire. Make sure the
   wires are locked!

Manualsum

Note: There are 2 holes for each terminal can be used in the connection.

You can use a jump wire or the second hole at the terminal to connect.

Single – pole wiring

1. Tool: Please prepare a flat head screwdriver.
2. Turn power OFF at circuit breaker or fuse box.
3. Remove wallplate.
4. Remove the switch mounting screws.
5. Disconnect the wires and label them after remove the old switch. (Please use our sticker)
6. Carefully remove the switch from the switch box. (DO NOT disconnect the wires.)
7. There are up to four screw terminals on the smart switch, these are marked (Please check <HOW TO INSTALL THE WIRES>)
8. Fix the wallplate with screws after wiring suc- ceed. (Please use our screws.)
9. The Ground was excluded from the diagram to simplify the illustration. Please Make sure all ground wires are connected to all switches res- pectively.

How to Pair the Network?

1. Turn on Bluetooth on your phone.
2. Open Minoston or Smart Life APP and log in to your account.
3. Make sure the device indicator light is flashing. If it is not flashing, press and hold the "30 min" button for 5 seconds to put the device into network pairing mode.
4. Click "Add device" to add the device.
5. The APP will search for nearby devices and then display them on the "Add device" page. After finding the device, click "Add".
6. Select wifi (2.4Ghz band) and enter the password.
7. Wait for the addition to be completed.
