Specifications

- **Name:** Wireless Charger
- **Model:** MC10mini3
- **Input:** 5V-3A; 9V~2.22A; 12V~1.67A
- **Output:** 15W Max.
- **Transmitting frequency:** 115-205kHz 360kHz
- **Dimensions:** 58.6 X 7.3mm
- **Weight:** Approx. 55g

Accessories

- Wireless charger X 1
- User Manual X1
- Warranty card X 1
- Emoji sticker X 1

Attention

Please use a power adapter that conforms to local safety regulations.

Working temperature: 0°C to 25°C

Prohibited from disassembling, impacting, squeezing, or putting in fire

Do not place it in a high-temperature environment.

Prohibited from use after immersion in water.

Wireless Charging Warnings

This product utilizes magnetic and capacitive coupling mechanisms to achieve non-beamforming near-field power transmission from the power source to the load.

The device complies with relevant regulations such as the “Interim Provisions on Radio Management for Wireless Charging (Power Transmission) Devices,” as well as laws and regulations concerning product quality, electromagnetic radiation, electrical safety, and national standards.

It is not allowed to change the usage scenarios or conditions, expand the operating frequency range, or increase the transmission power (including adding additional power amplifiers) without permission.

It is not allowed to cause harmful interference to other legal wireless services and stations. Users cannot request protection against radio interference or radiation interference. If harmful interference to other legal wireless services and stations occurs, immediate use must be stopped, and it can only be resumed after taking measures to eliminate the harmful interference.

Wireless charging devices are prohibited in this area. The use of wireless charging function is not allowed.

If the use of wireless charging devices is causing interference to broadcast services, it should be immediately discontinued.

The use of wireless charging devices in ships, aircraft, and railway locomotives (including high-speed train units) should comply with this regulation and the relevant regulations of the industry authority.

Shenzhen Baseus Technology Co., Ltd. declares that the product is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address <https://www.eu.baseus.com>

This symbol indicates that this product shall not be treated as household waste. Instead, it shall be handed over to the applicable collection point for the recycling of electrical and electronic equipment. Follow local rules and never dispose of the product with normal household waste
