3. Set the memory card as a portable storage by selecting Portable storage. Enter memory card storage to move files between the card and tablet.

## TROUBLESHOOTING

### Q1. The tablet doesn't power on.

- Reboot your tablet after charging for more than 30 minutes.
- Press the power button to check if the tablet is in the Sleep Mode.
- Insert a pin to the Reset Hole to reboot it.

### Q2. The tablet doesn't charge.

- Make sure the USB cable is properly plugged into the charging port.
- Try another compatible USB cable and adapter.

### Q3. Error message occurs during the operation.

- Uninstall the App with the error message, then download and install again.
- Insert the pin into the Reset Hole to reboot it.

### Q4. The tablet cannot be detected by the computer.

- Make sure the tablet is powered on.
- Try another USB cable.
- Try another USB port on the computer.
- Instead of No data transfer, choose File Transfer or PTP when connecting the tablet to the computer.

### Q5. The tablet cannot connect to the WiFi.

- Make sure the WiFi in your tablet is ON.

- Make sure you input the correct password when connecting the WiFi.
- Restart the router.
- Make sure there is no filter setting or device connection limitation in the setting of the router.
- Forget the current Wifi, reset the router and connect the Wifi again.

**Q6. The storage space of the tablet is not enough.**

- Delete the Apps you don't use.
- Clear the cache of the Apps regularly.
- Install a memory card to expand the storage.

**Q7. The tablet comes with scratches on the screen.**

- Check if the scratches are on the film. If yes, please remove the film.

**Q8. The screen is unresponsive.**

- Check if the screen is dusty or greasy. If yes, please gently wipe the screen with a cloth to clean it.

**Q9. The font size is too small to read.**

- Please go to Settings > Display > Advanced > Font Size to adjust the text size.

**Q10. How to use your voice to search a fact?**

- Tap the microphone icon on Google Search bar, tell the tablet what you want to know and it will show you the search results.
