Shenzen Bluetooth Remote Control User Manual

Instruction

Specification

Product Name	Bluetooth Remote Control
Model Name	B078-01-W7
Bluetooth Version	5.0
Keys Number	18
Power Supply	AA Batteries * 2

Remote Control Paring

1. Turn on the projector and wait for the Bluetooth pairing prompt on the screen.
2. Bring the remote control within 10 cm / 0.33 ft from the projector.
3. Simultaneously press and hold “left arrow” and “home” keys.
4. Release the keys after the indicator light starts flashing.
5. Wait until you see pairing successful message on screen.

*If the pairing is unsuccessful, repeat the above steps until the remote control indicator light stops flashing.

Remote Control Keys Function Overview
