Teclast Korea Tablet PC User Manual
(2BGRT-NEOTAB)

Cautions

This user manual has been specially designed to guide you through the functions and features of your device.

1. Please read this manual carefully before using your device to ensure safe and correct use.
2. The descriptions in this manual are based on the default settings of your device.
3. Do not use this unit near water. Do not place over the unit any container with liquid inside.
4. Please do not put your device in high temperature, moisture or dust place. The tablet is not waterproof.
5. Avoid falling or violent collision. Do not violently shake the touch screen, otherwise, it could lead to damage or display abnormal.
6. If system shutdown automatically, it means the battery may used up,battery charging is required.
7. Please charge the tablet regularly if not in use for a long time to avoid the damage caused by the excessive consumption of battery.
8. Do not disassemble or use alcohol, thinner or benzene class to swab product surface.
9. Please do not use the tablet when driving or walking in the street,otherwise it may lead an accident.
10. Please choose the appropriate volume, if had tinnitus, please lower the volume or stop using.
11. Memory space available is nominal, as the android system itself takes up part of the memory space and the operation of the program will also take up space.
12. Storage capacity available is nominal, as the android system occupies about hundreds of MB storage capacity. And in order to install the software needs,the system must reserve certain storage capacity, so the actual usable space is less than nominal space.
13. When CPU operates in high speed, especially playing 3D games or High- definition video for a long time, the fuselage will have fever.
14. Please keep this manual for future reference.
15. The battery is contained with the device, please do not take out the battery.
